

# LORD SAVE

'Find Your Voice' course

There's a cry rising up  
There's a cry that won't be silenced  
There's a cry from deep ages past

## **Chorus:**

Lord, Lord  
Save, save  
Lord, Lord  
Save, save  
Lord, Lord  
Save, save  
Lord save your people today

Lord save your people  
Lord save your people  
Lord save your people today
