

No More Fear Lyrics

Verse 1:

God so loved the world he gave his only son for us
That we can know forgiveness, forgiveness
And fear no longer has a hold for we have come to know
The love of God in Jesus, in Jesus.

Chorus:

No more fear and yes to love. Your perfect mercy is still enough
No more fear and yes to love. I stand secure as a child of God

Verse 2:

God so loved the world he poured his Spirit out on us
So we can come as children, his children
And those who once were far away can boldly face the day
His power working in us, within us

Bridge:

You live in me, you live in me
To drive away the fear I feel
You live in me, you live in me
Your perfect love has set me free

Coda:

We love you; we love you God because you first loved us, you first loved us.
